## SIT ON TOP KAYAKS

### AXIS

SPECIFICATIONS: Length: 3.25m, Width: 75cm, Depth 32cm, Weight 22.6kg +, Capacity: 136kg.

The Axis has a unique keel design that tracks well. The 75cm beam offers more stability, and the seat, leveled higher than the foot-well area, provides increased comfort, improved paddling position, and a drier ride. Optional accessories include deck rigging and saddles to attach backrests or thigh straps, surf backrest ( AXIS DXL).

### AXIS 2

SPECIFICATIONS: Length: 4.05m, Width: 85cm, Depth 30cm, Weight 29.5kg +, Capacity: 204kg.

The only sit-on-top kayak with internal bulkheads for less hull deflection and secondary flotation. It is a sleek, affordable double kayak offering excellent tracking, speed, and comfort. The Axis 2 has recessed eyelets that will not break, or catch on carrier rack. This Kayaks three full seats provide dual or solo paddling. Manufactured in tough, durable, polyethylene plastic. Optional accessories include deck rigging and saddles to attach backrests or thigh straps, surf backrests ( AXIS 2 DXL)

### STRIKE Angler

SPECIFICATIONS: Length 4.12m, Width 0.74cm, Weight 28kg, Wt. Limit 180kg,

Designed for kayak fishing, this kayak features a stable sponson style hull with bow and stern keel sections, wide beam for extra stability, Twin flush-mounted rod holders behind cockpit, Platform deck for versatility of standing or sitting sideways, Large bow hatch with heavy duty cover and internal rod tether, Sealed rear storage hatch with pull out bag, Large rear cargo bay with shockcord mesh stowage, Bow decklines, SlideLock™ footbraces, Contoured integral seat, Deluxe backrest, Quickflow self-bailing with central scupper complete with scupper bung, Side carry handles with paddle straps, Easy grab handles, D ring accessory attachment points, Drain bung, Optional anchor kit.
